### 'Iron Man' cheers up new pupils

TEMERLOH: First day blues aren't that dreadful these days with cartoon characters and superheroes greeting pupils.

The fun continued with Iron Man welcoming Year One and pre-school pupils of SK Mentakab (Chatin) on their second day of school yesterday.

The children were excited to see their costumed hero and called out to him.

They also took pictures with him and shook his hand.

Headmaster Suhaime Nahari said the event, which was organised under the Loving Teacher Programme, had an effective impact on pupils who were afraid to go to school.

"As a result, no pupil was crying or moody about having to attend school.

"This can also prompt the pupils to enjoy themselves and turn the school into their second home," he said.

On Wednesday, there were news reports about Mickey and Minnie Mouse welcoming Year One pupils at two schools in Penang.

Another school in Melaka invited a group of traditional musicians dressed as Malay warriors to greet some of its new students.
